NOTICE TO VIEW

DRAFT AMENDED PROPOSED ASSESSMENT REPORT

In February 2011, the Ontario Ministry of Environment (MOE) requested that a number of amendments be made to the Proposed Assessment Report (AR) that had been submitted in July 2010. Niagara Peninsula Source Protection Committee (NPSPC) has now completed these required amendments along with other updates. The *Draft Amended Proposed Assessment Report* is now available for public review, and interested parties may access the document, along with a listing of revisions made since the July 2010 version of the report, on the website at: www.sourceprotection-niagara.ca

The *Draft Amended Proposed Assessment Report* may also be reviewed Monday through Friday between 9:00 a.m. and 4:00 p.m. from March 18 to April 15, 2011 at:

**Niagara Peninsula Conservation Authority Administration Office
250 Thorold Road West, 3rd Floor, Welland, Ontario, L3C 3W2**

The *Draft Amended Proposed Assessment Report* is a summary of all the technical reports and studies that have been completed under the Source Protection program to-date. The information in this report will provide the basis for developing the Source Protection Plan to protect municipal drinking water sources in Niagara. A key item in the report is the delineation of vulnerable areas and identification of drinking water threats in these areas.
